

National Coasteering Charter Associate membership benefits

Associate members gain the following benefits from membership:

1. A voice/vote at national meetings, once the organisation has been granted voting rights by the NCC committee.
2. Open access to any decision-making process within the NCC and potentially in a wider context
3. Access to potential members for their organisation at national and regional NCC meetings, as long as there is no conflict of interest between the "Associate member" and any other "NCC" member or organisation. To be monitored by the organisers.
4. Helps the NCC profile having members such as Insurance providers, equipment manufacturers etc.
5. Involved with the representative body for Coasteering in the UK and further afield
6. The Associate Member can be considered a part of and not excluded from the activity sector
7. They can assist with the skill set of members on a local and national level
8. Associate members are able to partake / interact with the NCC but do not provide Coasteering as their sole / primary business
9. Helps the Associate member be involved in the sector and gain an insight into the workings of providers etc.
10. Can help with extending the NCC message and membership.

Cost: £25.00 on an annual basis

Annual renewal due on the 1st April as per other membership categories

Use of the NCC logo:

Should an Associate Member wish to display the NCC logo on their website or advertising material they must in the first instance seek permission from the at least two members of the NCC committee and use the following wording 'XXXXX is an Associate member' in conjunction with the logo.
